

***FREE Governance Support for your Business**

***Up to 1 hour
FREE**

We understand that business leaders are under pressure to make difficult but informed decisions quickly - and are often challenged after.

Now has never been a more important time to ensure exceptional standards of governance are demonstrated by pro-active management and leadership teams.

Our corporate legal specialists are experienced in:

- > Convening and structuring board and general meetings, including drafting minutes**
- > Advising on director duties and conduct**
- > Providing strategic support**

We are able to support your business by attending meetings virtually or by phone and to help, we are offering the first hour of our time for free.
